**Submission to The privatisation of prisons and prison-related services
(Inquiry).**

Dear Sir/Madam

- I object to the NSW Government's plans to privatise both Cessnock and Parklea prisons especially to a foreign company where Australian \$'s will go overseas.
- I believe privately operated prisons experience higher rates of assaults on both prisoners and prison officers than publicly operated prisons.
- I also believe the standard of care for prisoners in privately operated prisons is not as high as in public prisons.
- Privatisation of Cessnock Prison will result in less jobs in our local area.
- There has not been enough independent research on the performance of private prisons in Australia to risk proceeding with steps to allow further private management of prisons.
