Partially Confidential

why are we being victimized for using a herb?

when cannot use morphine pethidine, harder drugs, which how many state leads how many too, after use of marijuana?

crazy thinking for how many supposed educated professors!

and if reinforce safety glass see thru web rubber, wld put an end to how many companies brands of plastic foil paper packaging, that if don't tear off properly, or see not a pill but a piece of plastic to keep dry from humidity, swallow wow truly how bent is that?

and if trees implanted with plants herbs needed behind atriomed walls, wldn't that put end to poverty drought pestilenced dry arid flooded fumed era as are under how many companied companies so far?

and if did away with how many diverse egotistical ego's, wldnt that end war greed of how many states?

just saying, as lived long enough to see wot hasn't worked since mankind has interfered with plannings of earth fauna molten lava freely given giving seasonals!

please wake up before how many totally destroy a living breathing moving planet, like asteroid hitting into planet recently.....!

kind regards, as only want best for planet, thats been neglected too long now by how many supposed christians, non believers..

have wonderful day
