

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 16/02/2013

Partially Confidential

The three monotheistic religions of our community, Islam, Christianity, Judaeism, all recognize that "marriage is ordained by God". It is human arrogance that wants to change marriage. Neither the governments nor the community of Australia have any right to make changes. Those who do will one have to answer to the living God, for their actions.
