

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 16/02/2013

Partially Confidential

Dear MPs,

I trust your hands to lead Australians into a stable and progressive environment.

Marriage is the main bonding factor in our society so we should value it as such. Also our children is our future that shaped by us today so we should value them as such.

I strongly AGAINST same sex marriage based on the kids future.

Thanks and regards
