

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr John and Mrs Jill Shaw

Date received: 7/02/2013

We wish to register our opposition to a proposed NSW bill to legalise 'same sex' marriage on religious grounds. We have always believed the Christian bible's ethic that marriage is between a man and a woman for the purpose of raising a family. This ethic has had an extremely long and strong historical consensus based on Christian values of love and devotion of a man and a woman including their unique values and morals in childrens' upbringing.

We do not support 'same sex' marriage.
