Subject: This "sport" must be stopped!!!

Dear Director,

It is with a deep heart that I ask you to put an end to greyhound racing. This is not sport, nor should we in today's society find pleasure in inflicting cruelty and harm to other creatures.

The way greyhound racing is supported by the media, encouraging spectators to the track and all the sponsorship it receives it's very distressing. This is not a glamorous sport, it is cruel and horrifying. It must be stopped.

We ask u to be the voice for greyhounds... Step up, put an end to greyhound racing!! Please

Sincerely,

Amanda Watson
