## THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Ms Vanessa Rae

Date received: 14/10/2008

---

I live less than 5 minutes drive from the shops on Old Northern Road Castle Hill. Yet due to the congestion on Showground Road during peak times, it can take anything between 15 and 45 minutes to travel less than 5 kms. The Hills District has grown incredibly fast and the road system within the area desperately needs to be addressed as a matter of priority.
