## INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Under our Australian Constitution, Marriage is a Federal, not a State issue, so a NSW Bill on "same sex marriage", would be UNCONSTITUTIONAL. We strongly believe that Marriage should be between a Man and a Woman, which is what JESUS said according to Mathew 19 : 4-5 in the BIBLE. The Government needs to focus more on more important issues. Opinion polls are not a reliable source of public opinion, only a REFERENDUM would achieve this.
