INQUIRY INTO GREYHOUND RACING IN NSW

Name: Mr Stefan Jonasson

Date received: 5/11/2013

Put an end to greyhound racing now. Governments and councils all over the world are making moves to ban this barbaric sport which results in the waste of countless lives. Animals are forced to suffer for the enjoyment of humans. Those that don't make the cut are destroyed. Make a move, be a leader and stand for what is right. Make an example on a global scale.
