**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Mrs Maya Spannari

**Date received:** 27/02/2009

---

I wish to voice my objection to the privatisation of the two prisons in question. It is not in the interest of the community, prisoners or staff for prisons to be run for profit, with a decrease in transparency and accountability, affecting job losses in the community, and putting staff and inmates in an even more dangerous position.
