

**INQUIRY INTO PERFORMANCE OF THE NSW
ENVIRONMENT PROTECTION AUTHORITY**

Name: Mr Marcelle Lawrence

Date received: 28/08/2014

Dear Sir/Madam,

The EPA has an important role to play in protecting, restoring and enhancing the quality of the environment in New South Wales. However a number of recent incidents highlight the EPA's failure to regulate or prosecute polluters and stop environmental breaches. Following these incidents there is strong public perception that the EPA has been captured by industry, and does not act in the public interest.

We look to this inquiry to address the specific concerns raised by the community and to make recommendations to ensure that the EPA is capable of putting the environment and healthy communities ahead of polluters.

Yours sincerely,
marcelle Lawrence
