REVOLUTION PROGRAM**

We are a Australian rural family with children at the Tottenham Central School. It does make us so anger to see such waste of our Public Money of \$600,000 that has gone into this school canteen. We could build two beautiful homes with that sort of money. Who signed this off as the cost to build this per square meter, would not equal out to \$600,000. It is so obvious that this is fraud of public money.
