**INQUIRY INTO THE BUILDING THE EDUCATION
REVOLUTION PROGRAM**

Name: Mr Kevin Jarvis

Date received: 6/06/2010

Mr Rudd and Ms Gillard would have been better off dividing the \$600,000 spent on the farcical Tottenham School "canteen" among the local residents. This would have been a far better way of stimulating the economy than building an unworkable over priced storage shed.

The cost of the "canteen" at Tottenham Central School is ridiculous and does not represent prudent use of tax payer money.

The building itself is not only costly but also not needed and unusable.

The whole situation regarding the Tottenham school "canteen" needs to be FULLY investigated.

Our community is saddened and outraged that during these tough times the government has chosen to waste our money in this way.
