**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Mr Dave Wilson

Date received: 3/08/2012

Leave the Access to the Watagans as it is.

There is no point in having bush that only scientists and fire fighters are allowed to access. Not really very Australian is it.

There are many reasons to keep it open, if you need them explained you have not done your jobs very well.

Protection does not require exclusion.

Thanks

Dave Wilson
