INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Tania Cusack

Date received: 5/11/2013

Dear Director,

Thank you for the opportunity to provide input into this important inquiry into greyhound racing.

I am very concerned about the treatment of greyhounds in the racing industry in NSW. Abuse of animals is far too mainstream. It is unacceptable to use these beings when we need them and abuse and discard them at our will.

Control over breeding practises will lessen unnecessary murder of over-bread and unwanted animals. just as we discourage over breeding and abuse of human babies and people The racing industry should be investigated for doping. Where are the industry leaders?. Is this just another criminal cartel?

Prosecution for abuse needs to be enforced Animals should not be exported I urge you to take these issues into account and I hope this Inquiry leads to strong recommendations which will improve the treatment of these dogs.

Sincerely,

Tania Cusack
