My Review

The insurance companies does not make any Fair (justice) with some people who suffering from accidents as me

• Result of the accident I'm suffering from serious injuries.

• I walk hardly with stick.

• lots of fractures.

• I need operation in MY back.

• The solicitor Fall my case - no take it to the courts Not Fair

Not Fair I not get any money for damages

△ The independed doctor decition very very wrong because he said my injuries stapilised but not because she, he, Not read the X rays.

Not Fair Wrong decition

Thank you very much for reading my letter,
