**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed
Date received: 24/02/2009

Partially Confidential

Prisons should not be privatised. The NSW Government has done a good protecting public health nurses jobs- don't now feed them to private companies.

And inmates will not be guaranteed of being treated humanely by privatising jails. I doubt their visitors- who are not criminals, will be treated as respectfully by private staff. Who will train the staff? How does the public ensure staff safety if they are poorly trained or if there are too few? And what if increased escapes endanger the broader community?
