

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Lakshan Rodrigo

Date received: 6/02/2013

I Lakshan Rodrigo send my submission in against the same sex marriage This should not be approved in any part of the world if this gets approved in NSW & VIC it would be shame on all the citizens & residence of this nation.

God created man & women to become one and to be blessed with his gifts of children , he didn't creat one men only as he knew two men can produce children and can not become one.

So please the leaders of this nation please think twice before you approve .
On the judgement day you will have to account to God, not to men who would not able to save you !

God bless you !

Lakshan Rodrigo
