Submission for the State Parliament's Inquiry into the BER program

My immediate concern regards the transparency of costings for the project.

A P & C representative and I met with the Reed representatives to discuss the schematic drawings associated with the project.

On Thursday 3/6/10 I met with these representatives for the project launch and realised that some things had been descoped-mainly the lining to our COLA.

Our school's entitlement is \$850 000. For this we are receiving three COLAs and a very minor refurbishment to the kitchen area of our staffroom. It seems highly ludicrous that we would not even get a lined COLA for this much money.

The P & C is keen to discuss this matter further at tonight's meeting.
