Dear Sir / Madam

I am writing to you to voice out my opinion that the Dental Health Service is unreliable at Hawarna Area.

Our family is in bad shape since my husband was paralyzed four (4) years ago. In year 2000, my husband was victimized by the Dental Health Service <sup>by</sup> how they manage their patients.

Unfortunately, my husband was one of them who enlist himself to their service to no avail.

I am totally tired & hopeless after all these years of sufferings, looking after him & my children - why we were victimized?

So please bring this to the attention of the government that the Dental Health Service System needed to be reformed.

I can be contacted if you need further clarification by phoning

Please find the enclosed \$30.00 check for my donation.

Sincerely yours,

A. Gelbkron  
(CORAZON GELBKRON)
