

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Ms Lou Wooley

**Date received:** 7/02/2013

---

**(No) Same sex marriages**

Dear members of the committee,

Both my wife & I are opposed to the thought of any suggestion of allowing this un natural practice into our culture and society.

Just because it has occurred in several other countries it does not necessarily have to follow in Australia.

WE are opposed to any relaxation of the rules that govern this nation.
