

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 10/02/2013

Under Australia's Constitution marriage is a federal issue. A NSW bill relating to marriage or 'same-sex marriage' would be unconstitutional, thus invalid. Issues pertaining to marriage in Australia should be decided in the context of the federal parliament, based on a referendum for which voters have received information explaining both sides of proposed changes – and not simply opinion polls with loaded or simplistic questions.
