Dear Sir

Please can you meet a Deputation
the next time you visit Gunnedah with the
Committee of the Gunnedah Branch of the Combined
Pensioners & Superannuants Association in regard to the
Dental Health Service at the Gunnedah District
Hospital. Is it possible to get some extra funding
to reduce the back log and the time Pensioners
have to wait to get Dental Teeth made, at the
present time Pensioners have to wait two years
to get Dental Teeth made that is for to long of
time to wait, I have been told there are
Three Hundred Applicants Waiting

yours Faithfully

Ly wise
