**INQUIRY INTO PLANNING PROCESS IN NEWCASTLE
AND THE BROADER HUNTER REGION**

Dear Sir,

Please note my ABSOLUTE
OBJECTION to the cutting of the
rail line into Newcastle.

I feel it would be a real
disadvantage to travellers like me
who use the SCONE to NCL
service.

The young who travel from the
Hunter Valley to Newcastle
for entertainment + the Beach
would also be disadvantaged.

Improve the existing system
would be a much
better option.

Val Connor
& family.
