

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

I believe there is no doubt that marriage is between a man and a woman, for the procreation of children. So it is and so it always has been.

Gays could have a civil agreement between them, but it would not be marriage.

Further, this business of a State trying to pass legislation independent of the Federal Government is absolutely ludicrous.

I am totally opposed to gay marriage and believe the only way to resolve this issue is by referendum.
