**INQUIRY INTO SOCIAL, PUBLIC AND AFFORDABLE
HOUSING**

Name: Name suppressed

Date received: 2/03/2014

Partially Confidential

As a resident in the west ryde/north ryde area, I am concerned for the wellbeing of the 500 people who would find themselves without accomodation if this plan is to go ahead. To kick these people out with the intent of making a profit from the new real estate is just plain wrong.
Please do not allow this construction to go ahead
