Mrs R. Mitchell

The Chairman
N.S.W. Social Issues Committee,
Dear Sir

The Lord Mayor of Sydney has proposed a shooting gallery at "The Block" Redfern.

We as concerned citizens are opposed to this happening.

The Redfern Aboriginal Leaders are not in favour of this & we feel they should be listened to. Their objection should take priority over what has been proposed because they know their people better than we white people do.

Please give this your careful consideration and talk to the Aboriginal Leaders before making a decision.

Yours Sincerely
(Mrs) Sarah Mitchell
W.C.T.U., Secretary Cooranbong.
