**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Mr Allan Sarkis

Date received: 3/08/2012

I am extremely upset regarding closure of the Watagan state forest. I have enjoyed riding off road motorcycles and four wheel driving there for many years and I had hoped to enjoy this forest with my young family as they grow up. I think I have seen more damage from Government contractors in there heavy earth moving vehicles than I have from four wheel drives and motorcycles
