

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Roger Hawkes

Date received: 8/02/2013

Saturday 9/2.

Dear Sir/Madam,

I am asking that Australia doesn't follow what the UK has done in voting for same sex marriage. I am one who follows the Bible's teaching on marriage – between a man and a woman. Children need to be in this situation as a father and mother have different roles to play for the benefit of the child. I personally would not have liked to have been raised by two of the same sex and just about everyone else would say the same. Australia and other countries need to get back to God's standards.

Sincerely. Roger Hawkes.
