AND THE BROADER HUNTER REGION**

Dear Sir,

We are happy to know that an enquiry is being held into recent planning decisions in Newcastle.

As well as questionable outcomes regarding proposed high-rise developments in the inner city, we would like to draw your attention to the King Edward Headland Reserve (KEHR) which was part of the Government Domain containing Government House in the early settlement.

May we respectfully refer you to the FOKEP (Friends of King Edward Park) Submission which has all the details regarding a proposed function centre on this site.

We appreciate your integrity in this matter -

Sincerely yours,

Anne & David Wood
