Re: INQUIRY INTO DENTAL HEALTH SERVICES IN NSW

Dear Sir or Madam,

I wish to bring to your attention that Health Care in general and Dental care in particular, for the low income workers and pensioners, is at an all time low. The three major issues are;

1. Insufficient dentists
2. Exorbitant health care funds.
3. Waiting time out of hand.

We in the country feel we are at a distinct disadvantage and cannot be blamed for wondering if the "Powers That Be" do not realise that there is a road over the mountains. Perhaps an expedition can be formed to rediscover our forgotten race.

Please include us in your study. Thanking you in anticipation.

Yours sincerely

Aileen Roberson
