

## INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

**Name:** Name suppressed

**Date received:** 15/02/2013

---

Partially Confidential

To the members concerned within parliamentary debate,

I ask that you all uphold the relationship termed "marriage" as that union which occurs consensually between a male and a female before a minister of religion or a marriage celebrant.

This union is the most appropriate for the raising of children in what is termed the family home. Any change or deviation from the term "marriage" should not occur.
