## INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

**Name:** Name suppressed

**Date received:** 12/02/2013

---

Partially Confidential

God created a man and a woman. Marriage is only between a man and a woman. And that's how it should be. No one can ever change how God created mankind. It doesn't matter if Australia is the only developed country who does not allow same sex marriage. It a sin to allow this kind of marriage. God will never ever bless a marriage between two people who has the same sex. I strongly appeal that this kind of marriage will never be allowed.
