**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Name suppressed
Date received: 14/08/2012

Partially Confidential

Logging, thinning, grazing may all have a place in NP, however I am totally against any recreational shooting in NPs. Eradication of feral animals will never be achieved by recreational shooting and should only be attempted by professionals. Serious problems arise from the escape of hunting dogs turned feral and suspect dogs would be part of the package hunters would be looking for. NPs should be for passive recreation.
