## **INQUIRY INTO GREYHOUND RACING IN NSW**

Dear Director,

I am revolted by the reported (on the ABC) treatment of greyhounds in the racing industry in NSW and that current regulations permit/support this.

Please consider:

- \* the conflict of interest in the Greyhound Racing NSW role in the standards for the treatment of animals - they cannot be trusted to self-regulate (clearly);
- \* prosecution where animal cruelty is found;
- \* better management of the sale and over-breeding of greyhounds;
- \* measures to reduce the high numbers of greyhounds killed annually;
- \* doping; and
- \* export of greyhounds to countries where there are no effective animal cruelty laws.

Please take these issues into account.

Thank you for your consideration

kind regards

fiona mundie
