R.N.s should be on every shift in aged care. Staffing levels of Ains & En's Should be better, never enough staff, work load is heavy especially in Dementia and High care, & on the night shift. Young people do not want to work in age care as it is low pay and a lot of hard work. I have been an Ain for 16 years,we need better conditions,pay & staffing levels to look after our elderly to the highest standards they built our country.
