**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed
Date received: 25/02/2009

Partially Confidential

I strongly feel that privatisation of any public prison is dangerous, as there would be less control of the facility and its prisoners, the prison would not be accountable in the same way other prisons are, it is a ripe situation for corruption and drug trafficking and is in so many ways just not a viable proposition.

Prisons and prisoners are, and should remain, accountable to the state and the country ... not to entrepreneurs.
