INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Cheryl Rogers

Date received: 5/11/2013

Dear Director,

Stop all animal cruelty! Greyhounds deserve the right to live the rest of their lives safely. I can't believe how we, as a humane society are constantly reminded of live exports, puppy farms & unbelievable horrendous cruelty. What is wrong with our Government that they are so gutless as to pander to these heartless scum.

Sincerely,

Cheryl Rogers
