Dear Sir/Madam,

Inquiry into Rural Wind Farms

A report concerning the above matter was presented to Council's 18th August 2009 Ordinary Meeting.

At this meeting, Council resolved as follows:

"That a copy of Council's Development Control Plan – Part O – Wind Energy be submitted to the Inquiry into Rural Wind Farms."

Therefore, please find enclosed a copy of the above Development Control Plan (DCP). Even though the DCP is specific for the Oberon Local Government Area, Council feels that some of the information in the DCP, which was finalised after detailed consultation with the Wind Industry Stakeholders, could be used by the inquiry in its deliberations.

Should you wish to discuss this matter further, please don't hesitate contacting Council's Director of Development, Mr Ralph Tambasco, on (02) 6329 8100.

Yours faithfully,

Bruce Fitzpatrick
General Manager
