To the Committee

I wish to summarise the issues for you.

I have sent you a number of documents for you to look at.

In brief all the issues I raise are supported by these documents.

1. and myself witnessed corrupt behaviour where patient treatment was compromised due to staff wanting extra call outs to earn extra money.
2. Breach code of conduct by A/O M with keeping his boat on station, Nil support from sector office.(documents supplied)
3. 7th of January and 16th January at station I was briefed that fire arms were removed from the station, the station is still riddled with bullet holes.(documents supplied)
4. 27th January meeting in where sector management advised that A/O has a history of white antting and undermining of other Station officers, this was documented in the minutes of the meeting(document supplied) I was asked to destroy these minutes by the divisional manager.(documents supplied)
5. The behaviour of some staff, the Stapling of an officers scrotum to a pool table the pub,(documents supplied) drink driving of staff to the hospital where the nursing staff and the local doctor removed the keys from the staff members be they were very drunk(off duty) documents supplied).
6. The behaviour of the staff at proactive resolutions meeting on the 01/06/2006 where i was abused by the staff present, tormented and sworn at, and humiliated. Nothing done by management. (documents supplied)
7. The behaviour of A/O at station on the 09 /10/2006, where i was abused and threatened by this officer and nothing done by management(documents supplied)
8. Meeting with where he identifies the staff as lazy, and not willing to be motivated, still no staff are held accountable(voice recording can be supplied) permission was sought to record this meeting.
9. The monkey hanging in my office with station officer rankings on, the sector management where shown photos of this (the general manager of operations Mike Willis was informed by myself and divisional management and nothing was done, this action happened on a station were a female hung herself after work place conflict.
10. The total lack of support i received from senior management is well documented and supported not just by my documented material but by outside investigations by Pro Active resolutions.
11. Please contact me if you require any further information.
