**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Name suppressed
Date received: 13/08/2012

Partially Confidential

I support the maintenance of the Native Vegetation Act, and am against any further degradation and clearfelling of our forests.

We must protect our forests and have a responsibility to protect all wildlife through the absolute maintenance of habitat.

Any breach to laws protecting forests from clearfelling should be monitored and those responsible should face consequences which are effectively enforced.
