**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Mr Steve Coe

Date received: 29/07/2012

I have been an off-road motorcyclist for 40 years and have gradually seen riding areas disappear and at the present time people in Sydney have to travel for about 2 hours to reach a State Forest where they can do their sport legally. I ride with lots of people from all walks of life and all ages and we do recognise the need for quiet bikes and avoidance of fragile areas and we are all registered and licenced. We have the right to use our land responsibly, as we are the ones who pay for it.
