**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Organisation:**

**Name:** Name suppressed

**Date received:** 25/02/2009

---

Partially Confidential

I am strongly against privatising any NSW prisons.

I am confident that NSW prison staff are well trained - trained to work competently and efficiently with compassion and understanding when and where required.

I believe that if prisons are privatised, profits become the total focus leading to under-trained staff, a reduction in rehabilitation and retraining programs for inmate (programs that I think are essential in all prisons) and an increase in crime within prison.
