I wish to express my objection to "Same sex marriage" very strongly. Marriage between a man and a woman has served us well for thousands of years. The male and female bring different gifts and different roles to a marriage and from the beginning it was between a man and a woman for the procreation of children. Same sex marriage would certainly bring gender confusion to our children and confusion in many other ways. If a man with a man want to show their love and commitment it certainly should not be called marriage - a community celebrant could be involved and it could be called another name.

I AM CERTAINLY AGAINST SAME SEX MARRIAGE.
