Name: Ms Fiona Witter

Date received: 5/11/2013

Dear Director,

I have had the privilege of knowing quite a few greyhounds that were sent to the vet to be put down for various STUPID reason all of which related to spending money on a dog that wasn't bring any money back in, ALL these dogs that I have meet have been rehomed by the vet and are the best behave and such gracious dogs...for them they where lucky they now have loving homes but for so so so very many that don't make it to the vet or just have no where to go we need to fix this problem!!!!

Sincerely,

Fiona Witter
