**INQUIRY INTO EDUCATION AMENDMENT (ETHICS
CLASSES REPEAL) BILL 2011**

Name: Name suppressed

Date received: 23/02/2012

Partially Confidential

Please do not repeal the Education Act (Ethics) 2010.

At last I am able to send my eldest child to a meaningful lesson at this time in the school week (Ethics), however my youngest still does colouring in.

It is my choice to leave religion to be a choice my children make, once they are old enough.

Ethics classes provide a meaningful choice for those families who either do have their religion represented or those families who, for whatever reason, do not wish their children to attend religious education at State School.
