Dear Sir / Madam

**Further Inquiry into the 2009 Mt Penny Return to Order**

Thank you for the opportunity to respond to the above.

Under my leadership, NSW Treasury always complied fully with orders for the production of documents under Standing Order 52. The 2009 Mt Penny order for papers would have been no exception to this.

To the best of my knowledge, and from what I can determine from a review of the comparison matrix contained in the report, "Possible non-compliance with the 2009 Mt Penny return to order for papers", there were no relevant NSW Treasury documents that are amongst the list of relevant documents from the ICAC EOI Brief that were not in the original 2009 Mt Penny call for papers.

Sincerely

Michael Schur
