INQUIRY INTO GREYHOUND RACING IN NSW

Name: Name suppressed

Date received: 17/10/2013

Partially Confidential

Please do not allow Greyhound racing to continue. It may be a sport for the owners, trainers and people who bet, but it is not for the dogs. If they are not good enough the majority of dogs are killed. A minority of dogs are rehomed to rescue groups but even those dogs have difficulty adjusting to pet life as most lead a solitary, sad, un-enriched life.

Rescue groups can only do so much with the huge amount of surplus dogs. These animals are not machines and should not be disposed as such.

I wont even go into the cruelty, drugging, broken bones from racing or racing in 35 degree heat.

Please stop this archaic, barbaric "sport". It is time we stepped into the 21st Century.
