## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Mr Matthew Wuyts

**Date received:** 5/11/2013

Dear Director,

What else really needs to be said? Other than this is an act of cruelty used to make money? To entertain mindless drones, the way these poor dogs are treated is utterly disturbing, think to yourself, if you have a dog: your best friend, would you like them to be treated like this? Think very carefully.

Sincerely,

Matthew Wuyts
