**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Mr Terence Smith

---

Dear members of the inquiry into privatising 2 goals. I would like to voice my opinion, that if the government keeps selling off its assets it wont have anything to govern. The Corrections department is so top heavy with highly paid dead wood that are not productive. Please consider revamping the department to make it more productive.

Yours Sincerely  
Terence Smith.
